

# KEY **BENEFITS** FOR SEATTLE STUDY CLUB MEMBERS!

Beyond just a conference or a meeting, the Seattle Study Club Symposium is an **educational experience**. You should know, you're here and we're glad that you are. Each year is different with new speakers, a new problem to tackle, and a new way to get inspired.

Join us January 22-24, 2026 in Scottsdale, AZ and secure your spot for Symposium 2026 where an array of surprises await! Super Early Bird Rate in effect through 2/28/25. The location will be revealed during Saturday's Closing Ceremony.

## **NEW!** RISE INSTITUTE FROM SEATTLE STUDY CLUB

Launching in early 2025, the **RISE Institute** will focus on specific interdisciplinary procedures or practice efficiency, taking place in a comprehensive two-day program format. SSC members will receive discounts to over 100 programs to take place throughout 2025 at four educational centers across the country.

Seattle Study Club is excited to offer a new opportunity to enhance your dental hygiene team's skills and professional growth. Introducing **Aviary**, a year-long, comprehensive professional development program designed by hygienists specifically for hygienists. Developed with the high standards of educational excellence you expect from SSC, Aviary seamlessly blends advanced clinical training with personal development and collaborative learning experiences, designed to enhance the doctor/hygienist relationship.

## MONTHLY CASE STUDIES

Monthly case studies delivered directly to members. If you missed last season's case studies, we are extending those and adding new ones in topic areas such as endodontics, prosthetic contours, menopause in the workplace, and more! Perfect as a supplementary discussion for your clubs as well as a direct member benefit—**quality content that members can access and share with their practices.**

## CLUB CONNECT

One of the latest additions to the Seattle Study Club network to aid in the management and member communication is the ClubConnect App. Access monthly case studies and member benefits, communicate with fellow members and track and save CE credits.
